**Notification of Initiation of Corrective Measures Assessment at Fly Ash Reservoir II**

This statement serves as notification, as required by CCR Rule § 257.105(h), § 257.106(h) and § 257.107(h), that on April 9, 2019, Cardinal initiated a Corrective Measures Assessment for groundwater protection standard exceedances at Fly Ash Reservoir II.

Cardinal will evaluate corrective measures in accordance with CCR Rules § 257.96 and present the findings of the assessment in a public forum, at-least 30-days prior to selection of remedy.
